Firemen Rescue Two Invalids From Their Flaming Apartment

Tuesday afternoon, two invalids and two babies were carried from their flaming first floor apartment by Arlington Firemen and police. As a fire swept the bedroom and front room of a two story dwelling at 67 Palmer St.

The fire apparently caused by a defective oil burner, was discovered by a neighbor, looking out his window. The Fire department was notified immediately and Chief Tierney along with Sgt. George Fitzgibbons were the first to arrive at the scene.

Meanwhile, Joseph Sliney and Edward Catarino, both neighbors, rushed into the home to see if everyone had escaped. Sliney found Alice McPhail, 61 cripple screaming for help. Sliney went in, and as he was attempting to remove the woman from her bed in the dining room, Sgt. Fitzgibbons and Fireman Joseph White, Tillerman

on the ladder truck, entered the room and helped to carry the woman from the home. Catarino was looking around through the thick smoke for Jim McPhail, a cripple since birth. He found the victim attempting to crawl from his bed. Catarino, Chief Richard J. Tierney and Pvt. Joseph Cronin carried the man from his home to the street.

The first floor apartment is occupied by Mrs. Walter Driscoll, two invalids, and two small babies, Tom 1, and Carol 2 months. The babies were taken to safety by their mother, Gertrude Driscoll.

Chief Tierney said, "It was lucky that we got here as soon as we did, another five minutes and we would probably have had a tragedy, instead of another small fire".

The fire was confined to the first floor apartment, and damage was estimated at \$2000.

Other judges were Miss L. Manning and James J. Toner.

Two East Arlington Associations Unite

On the evening of Feb. 20, long-sought-after union of the two betterment associations of East Arlington was at last realized. At a joint meeting of the East Arlington Association and the East Arlington Betterment Association, the members of both groups stood in favor of dissolving the two associations and uniting in one new organization. These propositions were accepted as motions and a single new association came into existence, to be known by the name: East Arlington Civic Association.

At this meeting, which was presided over by Caesar J. Fiorenza, president of the former East Arlington Association, proposed by-laws for the new association were read and accepted by the members. Recommendations of the Committee on Nominations were heard and approved; and the chief officers were filled by the vote of the members. Following is a list of the elected officers: Keith Milne, President; Paul Egan, Vice-pres; Paul

Griffin, Treasurer; Camille Gaulin, Recording Secretary; William O'Brien, Corresponding Secretary.

Further business discussed by the meeting was the proposition that the civic associations of Arlington jointly sponsor a forum in the Town Hall for the purpose of hearing candidates for the coming election. Universal favor of the forum was expressed, but due to the lack of time remaining before elections, it was agreed to postpone such a move until another election. Among notable non-members present who spoke in favor of the forum were: Walter J. Holt, of the Cutter Park Improvement Association; Walter H. Flett, of the Kelvin Manor Associates; and E. T. Harrison, of the Mount Gilboa Improvement Association.

It was the unanimous opinion of the meeting that in the new strength accrued by the union into a single East Arlington Civic Association, a heretofore power for improvement in the community would result.

Real Battle On For Town Posts As Election Date Draws Near

Donoghue Outlines Platform Committee Endorses List Of Candidates Where Contests Appear: Charter May Change

Stephen S. Donoghue at a meeting of the Citizen's Committee outlined his views on some of the important issues in the sound administration of the office of Selectman. A necessary reform, long overdue, is the use of the Bishop and Brackett Schools and the Park Circle first station as voting places, to enable more people to vote in our Town Elections. Rarely have even 50 percent of the registered voters cast their ballots at Town Elections, and conditions such as unfinished streets, coincident with snow storms and mud holes at election time, have kept many women and elderly people away from their civic duty to vote.

Another current issue is the need for increased traffic control and police protection for School children and other pedestrians at dangerous street crossings. Mr. Donoghue outlined his plan to consider this matter with the whole Board of Selectmen after his election.

Mr. Donoghue further discussed the necessity of increased parking in our business areas so that our merchants may compete on favorable terms with those surrounding towns and cities, and from his varied experience as a businessman Mr. Donoghue will be able to devote the time necessary to this problem in order to bring Arlington business greater opportunities through greater service by the Town.

Candidates for Moderator are George A. Harris and Harold E. Magnuson. Both are seeking to succeed Ernest W. Davis. Harris has the support of the Citizen's Committee, but Magnuson is carrying on a well organized and active campaign, and has many hard-working supporters. The outcome should be very close.

The battle for Selectmen is another which is being waged actively. One will be chosen to succeed retiring Joseph Peterson, and Stephen S. Donoghue and Edmund L. Frost are the candidates. Donoghue has the committee endorsement, but again Frost is working hard, is reaching the voters, and has a large and enthusiastic committee behind.

Third major contest is for the board of Public Works. Thomas R. Rawson, barely noted last year, has the committee endorsement this year, and is favored to win over two opponents, Edward T. Ryana and Herbert W. Whitney, who may split the vote.

For the Board of Assessors, Walter S. Coolidge, endorsed by the committee, is seeking re-election against George M. Manning.

Three school committee members will be chosen this year, from among six candidates. Two are seeking re-election; namely John P. Morine and M. Norcross Stratton. Both are endorsed, as is Mary K. Boyd. Running independently are Robert J. Brosnan, Robert E. Donovan and Edwin J. Mockler.

Two library trustees will be chosen, and both incumbents are seeking re-election. Roscoe O. Elliott and Francis Keef with the committee endorsement are opposed by Frederick S. Glynn, Jr.

For Park Commissioners, four men seek the position to be vacated by Daniel A. Purcell. George F. Fusco has the committee backing. Others in the race are Donald F. Brennan, John F. Carney and Franklin W. Hurd.

Running for the Planning Board are Harvey C. Abbott and John (Continued on Page Two)

Dr. Carroll To Head Red Cross Campaign

Dr. Joseph J. Carroll of 29 Wyman terrace, has been named Arlington chairman of the \$1,244,740 Greater Boston Red Cross fund campaign.

Dr. Carroll served the Red Cross as a solicitor in 1948 and was active in the Symmes-Arlington Hospital fund drive. A graduate of Tufts Dental School, he is affiliated with Cambridge City Hospital and the Boston Hospital for Children.

Active in civic affairs, he is a member of Arlington Council, Knights of Columbus, the Benevolent and Protective Order of Elks, Delta Sigma Delta dental fraternity and is secretary-treasurer of the Arlington-Winchester Dental Study Club.

"It gives me real pleasure to accept this responsibility," Dr. Carroll said today, "because I am well acquainted with the merry in action practiced by the Red Cross."

"The drive extends through March, and if vital Red Cross services, which have benefited so many Arlington people over so long a period of time are to be continued and expanded, its goal must be met."

"Hundreds upon hundreds of our servicemen have cause to remember the Red Cross in wartime with real affection and respect. It is no less active, no less deserving today. Red Cross services go wherever the armed forces go, wherever their dependents live. In addition, hundreds of other major tasks are undertaken efficiently and well by the Red Cross."

Dr. Carroll cited especially the organization's rapidly growing blood program, which is safeguarding the lives and health of Massachusetts people and making possible research of great importance.

Mr. John M. Russell, for the past decade Moderator in Watertown, conducted the final session in the course on Parliamentary Law, Tuesday evening, February 21st, at the High School. Mr. Russell who presides over the Watertown Town Meeting has been elected annually to that position since 1937. There are 270 members in Watertown and about 30 or more others who attend with a right to vote. The situation there fore between Arlington and Watertown is comparable.

No serious damage was reported in Arlington due to the heavy cold spell of the early part of the week. It was a common sight to see one car pushing another along Mass. avenue and other streets of Arlington, and oil burner repair men were kept busy.

Annual Banquet For Boy Scouts

The 28th annual banquet of Sackem Council Boy Scouts of America was held at Cary Memorial Hall, Lexington, on Saturday evening, February 11. The banquet hall was appropriately decorated with targets symbolizing the goal in the bullseye, which all Units are striving for in the Crusade to "Strengthen the Arm of Liberty" by training and preparing more and more boys to respect our Liberty, through the program of the Boy Scouts of America.

Dr. Nils Y. Wessel, Dean of Men at Tufts College was the principal speaker of the evening. His subject "Youth Moves Toward the Future" stressed that now, more than ever before, must the parents and adult leaders of youth help them with affection, recognition, and security.

Appropriate remarks commemorating this 40th anniversary of the Boy Scouts of America were made by Council President John Todd, Regional Deputy Robert Perry, Council Executive Philip Johnson and Sektelman Frederick Gay who welcomed the Council Scouters to Lexington for this occasion.

As the guests entered the hall they saw the display of Air Squadron 16 which featured the instrument panel and propeller of an airplane. Several Air Scouts were in attendance and explained the features of Air Scouting. At the opposite side was the display of Sea Scout Ship 38 with its wheel, lines, rockets, etc. Cub Packs 45 of Lexington and 33 of West Concord had handicraft displays, and Pack 26 of Watertown displayed model airplanes of all description. These displays were under the direction of Scoutmaster Edmond Hoxie of Troop 19 Lexington and his committee.

Toastmaster Erad Sawyer introduced Past President G. Sherman Blair of Concord who presented a thirty year Scouting service award to Charles W. Clark of Arlington and a 5 year Scouting service award to Harold B. Dalton of Belmont.

Council Camping and Activities Chairman James Brett presented

the Nipmuc awards to Troop 9 of Arlington, 103 of Belmont, 19 of Lexington, 3 of Waltham, 21 of Watertown and Explorer Post 27 of Concord for their outstanding camping in their respective Districts.

The Silver Beaver award, which is the highest honor that Sackem Council can bestow upon a Scouter, was presented to Eldon Hunter of 50 Harriet avenue, Belmont. Rev. D. Joseph Imler D. D. of Belmont in presenting this award said Mr. Hunter as a former Scoutmaster, committeeman, and Council Committeeman, over the past ten years practiced and taught the Scout Oath and Law at all times. Mr. Hunter who wears the Eagle Scout award himself now has two sons active in Troop 4 of Belmont who are the proud wearers of the Bronze Palm on their Eagle badges.

Cub Pack 77 of Belmont presented a Mule Train Skit complete with covered wagon and mules that were made by the Cubs themselves. Their acting out this famous song was masterful and well received. The skit was under the direction of Cubmaster Eugene Haggerty and Den Mother Mrs. Harold Davidson.

Seated at the head table were Sackem Council Chaplain Rev. Ambrose Hennessey of Watertown, Rev. D. Joseph Imler D. D. of Belmont, Dr. Wessel, Council President John Todd, Vice Presidents Dr. Henry Swabe, the Banquet Chairman and Charles Hume, Honorary Vice President George Rugg, Regional Deputy Robert Perry, Scout Executive Philip Johnson, Council Commissioner Levi Burnell, Council Treasurer Daniel Viles, Past Presidents Erad Sawyer and G. Sherman Blair, Council Camping Chairman James Brett, and Lexington Selectman Frederick Gay.

UP-TOWN-DOWN-TOWN NEW YORK VIGNETTE . . . by John Skinner

SPECIAL INFORMATION: We consider ourselves somewhat indebted to William Gargan, a fellow who's quite as alert as he sounds on Mutual's "Martin Kane, Private Eye." Gargan, ever observant as he courses through this metropolis, has passed along to us and to you some notations which he believes are typical of NYC and wants to see if you agree.

Forgetting, for example, that on account of the water shortage, it was one of those "dry Thursdays" here, a traffic court magistrate said he'd deduct from traffic violator's fines the sum of one dollar had they not shaved that fifth day of the week. He suddenly realized, as he sat on the bench, that he'd shaved that morning. Fined himself a buck, he did.

Also on the water-saving shortage front is Fathner Knickerbocker's Department of showing how meals for a family of five can be cooked for a week with but 21 tablespoons of water being used. In addition, tea and coffee making and vegetable washing consumed in the seven-day period took less than 10 quarts of water. S'truth.

LCST and FOUND: Bill also reports that a 9-year-old Brooklyn boy, digging in a vacant lot as youngsters will, unearthed a cigar box of jewelry and four \$50 U. S. Savings Bonds. His reward, after local police identified it as robbery loot, was a new shovel. He's digging away again. And on a recent

morning a man noticed a two-year-old girl fidgeting in her mother's lap on a Long Island Railroad journey. The man dropped a jewelry bauble in the baby's lap so that she'd have something to occupy herself with. The mother, necessarily distraught at not finding the owner at the end of the trip, went to the police. The emerald, diamond and platinum piece was appraised at \$1,000, the owner was located and now little Alice Benson of Queens Borough is richer by a \$150 reward. Curiously too, the secretary of New York University's Alumni Federation was recently presented with keys to a new automobile as a tribute to his 25 years of service. After the ceremonies he went out to the Washington Square street on which the building was located and on which the car was parked. The car's dashboard carried a commemorative plaque, the right front door handle—an overtime parking ticket.

LIFE'S FURTHER COMPLEXITIES: Okay. In order to promote further cleanliness in NYC, the Sanitation Department added 4,800 street corner wire receptacle baskets at a cost of \$10 each. Within four days 175 of them were reported stolen. Speaking of water shortages and leaving the problems of refloating battleships such as the Missouri to harassed Navy officers and men, we proceed to the story of the running around of the world's largest fireboat, NYC's own 134-foot Fire Fighter, on a shoal near the Statue of Liberty. A 110-foot Coast Guard tug, C.G. 64310, in rescue operations, also went aground. It's all right, though, girls and boys. Both ships are back on top of the water again.

Firemen Battle Three-Hour Fire

Arlington Firemen were called out in the sub-freezing Monday morning temperature to fight a three hour blaze in a two and one half single family dwelling on Summer St.

The blaze started in the living room of the home of Mr. Leonard Bowdoin, who lives alone with his dog Blackie, and ate into the partitions to a shaft that ran up along side the chimney. It was noted by Fire Chief Richard J. Tierney that this type of shaft is not common to many homes and presented a serious problem in combating the fire.

The first alarm was sounded at 9:34, when firemen arrived the flames were eating their way through the roof. It was estimated that the fire did \$8000 damage and was caused by a overheated pipe from a wood stove in the living room.

Two Saturday trains have been removed from the Arlington branch schedule, with the change now in effect. The trains which are not running at present are the 7:23 a.m. and 8:25 a.m. to Boston and the 1:32 p.m. and the 6:00 p.m. from Boston.

Police Notes

The members of the Arlington Police department wish to extend their sympathy to Officer William Burns whose wife passed away last Saturday noon after a short illness.

Officer Peter Greeley, is recuperating from his narrow escape after trying to do a guy a favor last Friday. Officer Charles Sewall called from the bus station at the Old Town Hall reporting that he was holding a dog that was injured. Greeley was dispatched from the station to take the pup to a veterinarian. As Officer Greeley went to pick up the dog, it turned and bit him on the back of the hand.

The Arlington Police Department is now looking for a small black cocker spaniel that has an eversion to policemen.

Mr. and Mrs. Francis C. Hart, 62 Alpine street, Arlington, announce the engagement of their daughter, Elaine J. Hart to Richard J. Ring, son of Mr. and Mrs. John D. Ring, also of Arlington. No immediate plans are made for the wedding.

OUTDOOR AIRTIME

Adventure stories of the woods and fields based on the story strip, "Mark Trail," created by Ed Dodd, who's shown above in characteristic outdoor activity, are now being broadcast in the new Mutual series of that name Mondays, Wednesdays and Fridays. In entertaining youthful listeners, the program also brings out the importance of conserving our natural resources.

Dr. Franklin P. Hawkes, former Arlington Kiwanian, addressed a joint meeting of Rotary and Kiwanis club members at the Arlington Boys' Club this noon. President Henry E. Keenan conducted the meeting.

Melrose Wins GBI Crown As Arlington Defeats Medford 4-9

By Frank Mahoney

MELROSE HIGH'S hockey sextet won the Arlington thrice owned G. B. I. championship by defeating a battling Rindge, 5-2 as a dauntless Arlington High swept into second place by routing Medford High, 4-0, before some 400 fans at the Boston Arena, last Saturday afternoon.

THE BURNS coached Arlington squad rested all their hopes on a battling Rindge Tech, Saturday, hoping that they would defeat Melrose and open the stumbling block for a three-way first place tie. However, fight as Rindge did, scoring two goals in the second period, to put them only one point away from a tie, the two sparkling Melrose lines took their toll. In the third period the combination of Marsolais and Titus plus re-enforcements from the Melrose bench proved too much for a tired Rindge team. The combination scored twice to send Rindge off the ice hoping to take third place in the league.

ARLINGTON OPENED its game against Medford with a bang. The puck was no sooner dropped from the referee's hand when Wyman unassisted lit the first red light at 14 seconds on a quick shot as he sped by the net. Hot and heavy scrapping up and down the ice followed until 7:46 when an O'Brien pass was picked up by Meehan and slipped past the Medford goalie.

THE FIRST penalty shot of the year was put on the books in the

Winchester Wins In Overtime Tilt 36-34

With Dick Mathews tossing in the winning basket in the overtime period, Winchester high school's basketball team turned in a magnificent 36-34 win over Belmont's perennial Middlesex League champions at Belmont on Friday evening. The game did not alter the standings, as the Belmont five already had clinched another league title, but it brought a great deal of satisfaction to the Winchester athletes.

It was nip and tuck all the way, as Winchester went out to prove they could take the champs. Walt Murphy set the pace most of the way, with 12 important points, while Mathews was just one behind him. Both boys were in form at the foul line, Mathews converting five free throws and Murphy four.

B'g Dick Watson was the star for the Belmont team, as he sunk

Boys' Club Prepares For Tournaments In Several Activities

The Arlington Boy's Club, hotbed of Arlington athletics for the younger boys, has stepped up a notch in preparing for the play-offs in the different competitions. Talk of the coming play-offs in the three basketball leagues, ping pong, pocket billiards, checkers and carrom tournaments can be heard in any of the shop classes or club library where the boys go to read or hold quite a confab.

Besides the intermural club competition the Arlington Boys' Club has entered the National Boy's Club competition between the other 324 boys' clubs throughout the United States. The National Tournaments consist of pull up, broad jump, base running, foul shooting, etc.

Trackmen Trail In Relay Event

Netting two second places, Arlington high school's trackmen finished fourth in the First Annual Metropolitan Interscholastic Relay Carnival, held at the 101st Infantry Armory on Saturday. Watertown took first place, with Somerville and Medford nosing out Arlington for second and third.

Five of seven events on the card were completed on Saturday, with two remaining on the schedule.

Arlington, with nine points, took a second place in the five lap relay, and a second in the sophomore relay.

Basketeers Lose Watertown Game

Arlington high school's hot and cold basketball team took one of its decisive setbacks of the season Friday night at the home court, when they fell before an able Watertown quintet to the tune of 52-34. Watertown led all the way, and the Arlington team never was in the running.

Watertown's offensive trio of O'Hara, Stackpole and Benzi scored enough points among them, 36, to nip the Arlington team.

Kenealy and Swanson were the Arlington scoring leaders with 11 points each.

Red Cross Campaign For State To Start Wednesday, March 1

Red Cross Sabbath and Sunday will be observed in more than 400 synagogues and churches in Greater Boston this Saturday in conjunction with the opening of the Red Cross drive for \$1,244,740 in Greater Boston, starting Wednesday, March 1st.

Religious leaders have warmly endorsed the campaign and in many churches in the Metropolitan area clergy will speak on Red Cross activities.

Prominent endorsers of the campaign include Archbishop Richard J. Cushing; Rt. Rev. Norman E. Nash, Protestant Episcopal Bishop for the Diocese of Massachusetts; Rabbi Herman H. Rubenowitz, president of the Rabbinical Council of Greater Boston; and Dr. Frank Jennings executive secretary of the Massachusetts Council of Churches.

Wednesday the campaign will formally open with a kickoff rally in Symphony Hall, Huntington ave., Boston.

Stars of stage, screen, radio and television will appear on the program which will be fast paced with

topflight entertainment.

O. A. Schlaikjer, general chairman of the drive, announced that Gov. Paul A. Dever will extend the endorsement of the Commonwealth for the drive for funds to keep the Red Cross "Mercy in Action" missions functioning.

Mayor John B. Hynes also will deliver a short address.

Through the courtesy of Ralph Scott, president of the Boston Musicians' Association, Federation of Musicians, members of the world-famous Boston Symphony Orchestra, under the direction of Arthur Fielder, will perform.

Additional music will be provided by Harry Marshand and his famous musical aggregation.

Night club talent from local clubs featuring some of the best names in the business is scheduled.

The Hollywood luminary is a major star whose identity must be announced later.

Anna Mae Dickey, Metropolitan Opera star and featured recently on the Ed Sullivan "Toast of the Town" television show, will appear.

There is no admission charge to the program, but O. A. Schlaikjer urged everyone who wants to see the show to arrive early. "In the past few years hundreds have been disappointed because of capacity audiences," he said.

As the thousands of volunteer solicitors begin rapping on doors and ringing bells for the collection of funds to assure vital Red Cross services, the local committee expects to achieve success with the cooperation of everyone.

PLAN FALL WEDDING

Mr. and Mrs. George Brown of Arlington announce the engagement of their daughter, Miss Helen Brown to Charles H. Carpenter of Somerville. A fall wedding is planned.

Red Feather Agencies In New Quarters

Of interest to Arlington as a partner in the Red Feather health and social service program is the announcement of United Community Services of Metropolitan Boston (formerly Greater Boston Community Fund and Community Council) that they are now established in their new permanent quarters on Beacon Hill in the Mason Memorial building, 14 Somerset street, Boston, the former home of the Boston City Club.

Moving the offices from 261 Franklin street, including Red Feather Information Service, of the Volunteer Service Bureau from 45 Bromfield street, and of temporary campaign headquarters at 5 Beacon street was completed early this week. Now under one roof on the four upper floors of this new community center, USC is in a position to serve the people of the metropolitan area more efficiently. It is expected that some 25 member agencies will soon occupy space in the building.

Greater Boston is indebted to the generosity of two Beacon Hill sisters, the late Ellen F. and Ida M. Mason, through the provision of whose wills the building was purchased to house UCS and some of its health and welfare agencies. The new telephone is Richmond 2-2000.

Committee To Aid Census

Plans for the organization of a local Census committee to assist in assuring the fullest local cooperation in a complete and accurate census here were announced today by Arthur E. McCabe, District Supervisor for the Bureau of the Census of the United States Department of Commerce, Lowell Census District.

Supervisor McCabe stated that representatives of local business, newspaper and radio stations, municipal and school authorities, labor and women's organizations, and professional groups will be enlisted to assist in the public relations program for the Census.

"The Census of the United States in April is made up of thousands of smaller censuses, one in each locality," it was pointed out by Supervisor McCabe. "Its results cannot be accurate and complete unless the census in each community is accurate and complete. Such accuracy and completeness will depend upon the fullest cooperation between every individual citizen and the Census enumerators who will make the rounds, from house to house, in April."

"The purpose of the local Census committee will be to enlist fullest local cooperation of all citizens in the Census undertaking. The committee will be of the greatest assistance to the District Census Office in explaining the scope, value, and uses made of Census information so that each individual here will understand the important part he or she plays in the whole Census. This committee will underscore the fact that there is an "us" in the word Census."

OPINION MODERATOR

Two sides to every question? Yes, definitely, as moderator John W. Vandercook shows every Sunday evening during Mutual's "Rebuttal" broadcasts. On each program, persons involved in points of controversy in the news are given the opportunity to present their own views in response to allegations made by their opponents, thus providing a fair balance of opinion.

We hadn't seen her since she moved out there and suddenly we thought how quick and inexpensive it would be to talk to her and how much fun it would give her. Now we have a regular date for a telephone visit at least every couple of weeks."

"My husband explained that the Telephone Company's new Long Distance Center for New England is connected with other Centers all over the United States. Now service is twice as fast as ever because long distance operators can themselves now dial directly to most of these Centers and to many individual telephones anywhere in the country."

Just Between Us

FOR PRESSING PROBLEMS
By Maria Caterine

Observing a few simple rules will take the drudgery out of ironing a man's shirt and diminish the time usually devoted to this task. If you don't believe us, take the word of Nancy Carr, who's as talented at home as she is talented on the air when her soprano voice is heard on Mutual's Saturday evening "Chi-

Easy Does It, says

cago Theater of the Air" presenta-

tions.

First, says Nancy, with the

smaller end of the ironing board at your left, place the dampened shirt on its back with the collar toward you. The left sleeve should dangle over the side of the ironing board and the right sleeve should be outstretched. Starting at the center, iron the right sleeve, working first to the shoulder and then to the cuff. Next, iron the inside of the cuff and turn the sleeve over—not the whole shirt—and repeat the process, this time doing the outside of the cuff. After this has been completed, take the shirt by each shoulder and fold the yoke across the front. Then iron the yoke and wrong side of the collar.

The next step is to fold the shirt back to its original position and iron the right side of the collar, ironing from the points of the collar to the center. Now move the shirt to the right side of the ironing board so you will have sufficient room to stretch out the left sleeve. Iron this just as you did the right, then once again take the shirt by the shoulders and give it a quarter turn to the left so that the collar is at the right end of the board. Now iron the inside of the back on the left side, after which bring the left front over and press on the outside. Repeat this process with the right back and front—and that's it! You're done.

Johnson Talks To Rod and Reel Association Here

Guest speaker at the meeting of the Spy Pond Rod and Reel Association held on February 15, in the Robbins Junior Library Hall, was Mr. Robert Johnson, Director of the Fish & Game Division of the Department of Conservation.

Mr. Johnson gave a most interesting and informative talk, touching on the various divisions in the conservation organization and explaining in detail the functioning of the Fish & Game Division. The audience was particularly interested in learning how the funds collected for fishing and hunting as well as improving conservation of the natural resources of the Commonwealth. Mr. Johnson's word pictures of the propagation of fish and wild life brought out the many hazards involved and instilled new interest in the conserva-

Levesque - Coleman

Miss Helen Dorothy Coleman, daughter of Mr. and Mrs. Cornelius J. Coleman of Arlington was married on Saturday morning to Henri Levesque, son of Mrs. Mary Levesque of Salem at St. Agnes Church.

The bride wore a traditional white satin gown and carried a white prayer book with a white orchid, white stephanotis and sweet peas.

Mr. Virginia Marie Bennett of Somerville, sister of the bride, was matron of honor. The bridesmaids were Mrs. Katherine Meyers of Medford and Mrs. Margaret Maynes of Newton, who wore gray lace gowns with flowered headresses and carried crescent bouquets.

Raymond Levesque of Salem, nephew of the bridegroom, was best man, while Edmund Bennett Jr., of Somerville, John Richard and Robert Coleman of Arlington, were ushers.

After the ceremony a breakfast and reception was held at the Hotel Commander, Cambridge.

Mr. and Mrs. Levesque left on a wedding trip to Puerto Rico and will reside in Boston on their return.

The mighty comeback of Ben Hogan in the world of golf, particularly in his recent Los Angeles contest with Sam Snead, after terrible injuries sustained in an automobile crash, has already been recorded as an outstanding event in the annals of sports. Les Damon, Mutual's "The Falcon," a man interested in noting facts about history, asks if you can answer three of the following four questions: (1) How many times did Bobby Jones win the National Open? (2) When did Ben Hogan top the field in this contest? (3) Within two decades, can you estimate when golf was first played in this country? (4) Why do golf balls have the little round pock marks on them?

ANSWERS: (1) Four times (1923, '26, '29 and '30). (2) 1948. (3) 1799. (4) Experiments have shown that a golf ball with an indented cover travels more accurately than one with a smooth cover.

at home and abroad to bring the peoples of our country and the world into greater communion with each other through supplying their spiritual, educational and recreational needs.

SHOWER FOR MISS ANNE FLYNN, BRIDE TO BE

The home of Mrs. Patrick Redden of 80 Allen street was the scene of a shower on Valentine's night in honor of Miss Anne Marie Flynn, daughter of Mr. and Mrs. Francis C. Flynn of 55 Wyman st.

The home was prettily decorated befitting St. Valentine's day. Delicious refreshments were served by the hostess, including her famous "Irish Cake". Favors were distributed to all present. A large group of friends and relatives were in attendance.

The guest of honor received many beautiful and useful gifts. She is to be married to Robert Alence of Brooklyn, New York, in May.

A full quota of parents turned out for Cub Pack 87's "Skit Night" at the Cutter School. Present also was District commissioner Edward Oakland, who complimented the group on their fine work.

The skits were prepared by the den mothers and performed by the members of each den, making up a full evening of sparkling entertainment. Mr. Louis Doctoroff's Den 1 put on a super-circus. Den II, directed by Mrs. Don Johnston, performed charads, while Mrs. Carl Fryer's Den III acted out a novel modernization of the old Morality Play. Mrs. William Mowat's Den IV gave a clever demonstration of what not to do in case of fire. Den V, sponsored by Mrs. Carl Symonds, put on a fashion show featuring costumes from the '90's to the present, and Mrs. G. L. Plummer's Den VI had a novel idea worked out for a puppet show, with the Cubs as the puppets.

Cubmaster Robert Bowser, after making 22 awards to many of the boys during the evening, mentioned that each boy in Pack 87 has advanced at least one grade since the beginning of the year.

A boxing program for the boys is already under way, directed by former professional, Bill Fitzpatrick. The boys are also promised another excursion soon, this time to the Hood milk plant.

On Monday, February 27th at 7:30 p.m. an observance of Parents' Night will be held at the Pleasant Street Congregational Church. Numerous awards will be made, ranging all the way from Second Class to the coveted Eagle Award for outstanding achievement won this time by Ralph S. Stevens, Jr., Senior Patrol Leader. An interesting program is promised in which scout skills will be demonstrated. Parents and friends are cordially invited.

Skits presented by Den Nos. 3, 8, and 12 highlighted the February Pack Meeting of Pack 43 at the Parmenter School on February 10. The attendance contests was won by Den 9. Two reels of Abbott and Costello movies brought the meeting to a hilarious close.

BULLETIN! THERE'S NO PLACE LIKE HOME

Washington, D. C.—Culminating hours of tireless search on the part of a couple of inquisitive fellows seeking to discover where Bill Henry, Mutual network weekday evening commentator, keeps that news teletype machine of his hidden, it can now be revealed, as in the above photograph, that it is located in one of his wife's clothes closets in their Washington home. No comment was available from Mrs. Henry.
